

HOW YOU CAN SUPPORT THE NATIONAL LIBRARY OF MEDICINE

1

Understand NLM's work providing 200+ biomedical databases

Free, trustworthy health information for the public.
medlineplus.gov

The home page of research for health professionals.
pubmed.gov

Free public access to federally-funded research.
ncbi.nlm.nih.gov/pmc

World's largest clinical trial registry and results database.
clinicaltrials.gov

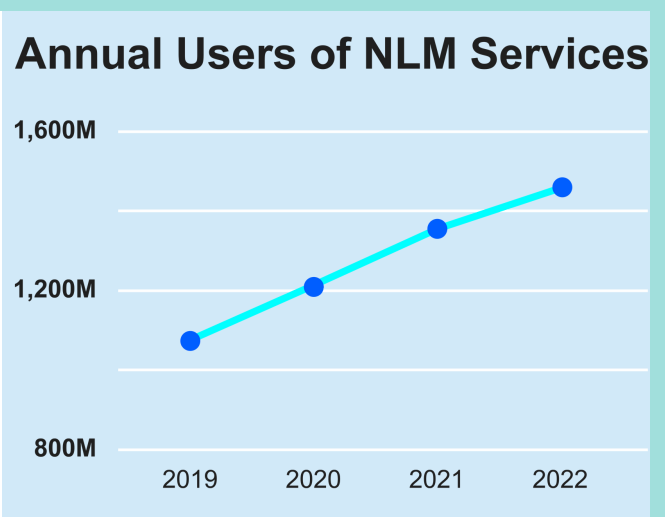

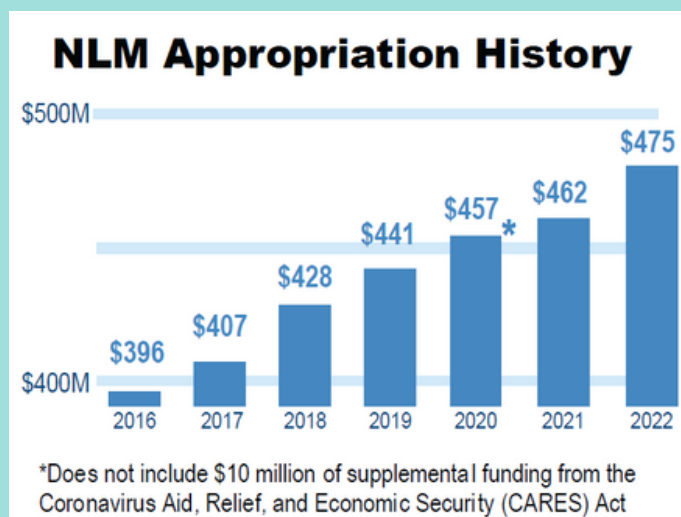

Connecting genomic data with clinical information.
ncbi.nlm.nih.gov/gap

A national network of locally-relevant health information.
nlnm.gov

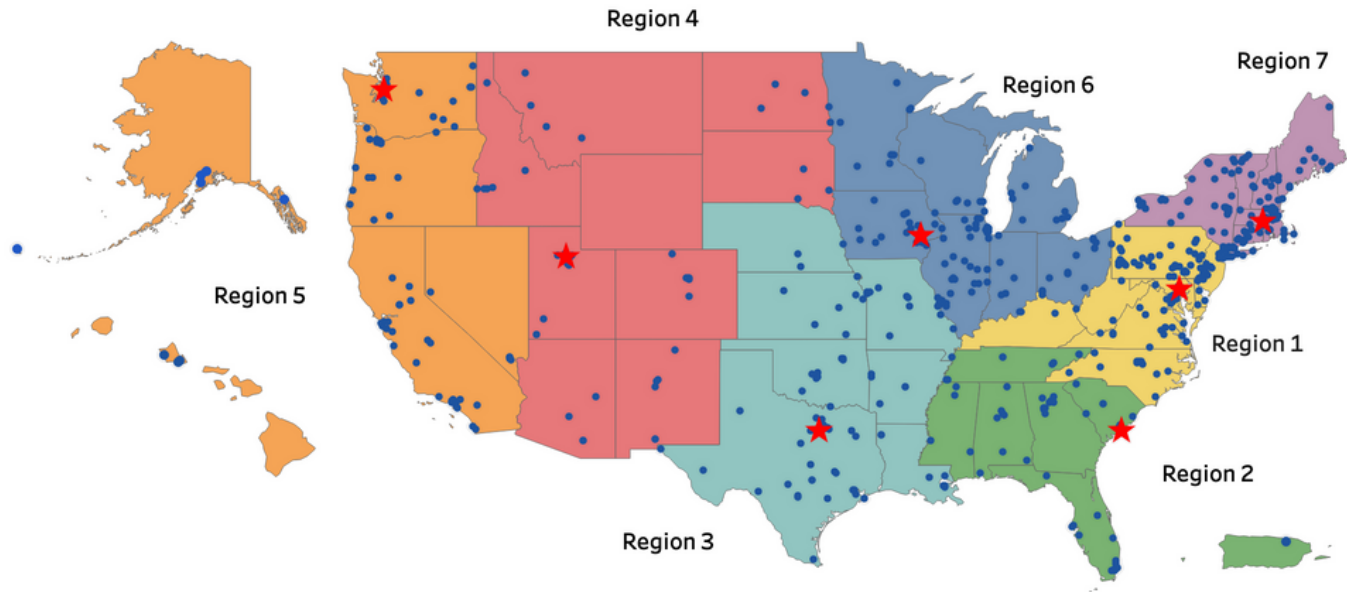

2

Recognize NLM's local, regional, and national impact

Accelerate scientific discovery and innovation by supporting the continued development of tools used by scientists, clinicians, and the general public.

NNLM Funding for Outreach Projects
Awarded by the Network of the National Library of Medicine
May 2018 - February 2023

Funding Between May 2018 - February 2023
Total funding distributed throughout the Network: **\$19.5 M**
Individual awards ranging from **\$65 to \$1.74 M**

Projects Funded	Outreach Activities
1,323	8,011

★ Regional Medical Library Locations

- Region 1 - University of Maryland, Baltimore, Baltimore MD
- Region 2 - Medical University of South Carolina, Charleston SC
- Region 3 - University of North Texas Health Science Center, Fort Worth TX
- Region 4 - University of Utah, Salt Lake City UT
- Region 5 - University of Washington, Seattle WA
- Region 6 - University of Iowa, Iowa City IA
- Region 7 - University of Massachusetts, Worcester MA
